

Chicago Collaborative Storytelling Project

Agreement

Grant Recipient: YOLLOCALLI ARTS REACH OF THE NATIONAL MUSEUM OF MEXICAN ART

Total Amount of Grant: \$800.00

Award Date: June 7, 2017

The Media Consortium has received restricted funds from the Chicago Community Trust to re-grant to community media platforms based in Chicago participating in our Chicago Collaborative Storytelling project. The purpose of this project is to foster new relationships among media outlets that serve different communities in Chicago; to support development of a local media network for collaborative storytelling that provides more complete stories of Chicago's neighborhoods; and to expand the civic conversation nurtured at On the Table by helping to communicate the impact of those conversations in specific communities and neighborhoods.

This grant is awarded by the Media Consortium subject to the following terms and conditions:

A. Grantee will design an editorial collaboration that meets the purposes of the project. Please provide a 140 character description of the content of the collaboration here:

We're hoping to have establish two fellowships through Hoy for Yollocalli youth to work on neighborhood stories which will be edited and published in Hoy properties (newspapers, website, Facebook). Each of the two fellows will be asked to attend and report on an On the Table conversation, preferably in Little Village. Then, they will use the ideas, conversations, plans and projects shared at that meeting as a jumping off point to report several stories from their neighborhood for Hoy. That could mean identifying an interesting character at the On the Table meeting to follow up with, or taking an idea from the meeting and investigating it in their neighborhood's context. Hoy and Yollocalli will collaborate to make sure the kids have access to all the reporting tools they need: multimedia equipment, etc. We will also collaborate on editing and editorial direction, and likely on the production of multimedia elements. The budget should pay each of the two fellows for 40 hours, enough time, to report and write 3 stories each, at least one of which should be a longer feature story, hopefully with multimedia content. The money will be administered by Yollocalli, with each fellow paid hourly (somewhere from \$8-10) an hour. 40 hours * 2 fellows * \$10 an hour = \$800

B. Grantee will collaborate with at least one community media outlet. Please provide a list of the outlets that Grantee will collaborate with as part of this project:

2. Hoy Chicago (media outlet)

F. Work shall be completed on the collaboration by July 20, 2017.

This grant must be used in the project identified above. Grantee accepts responsibility for complying with this agreements' terms and conditions and will exercise full control over the grant and the expenditure of grant funds.
