Please join us for a unique discussion about your community. Live From Main Street's Miami town hall will explore how Miami communities and grassroots groups are facing the economic crunch and working to build a stronger sustainable city for generations to come. Help us explore what's working and what isn't working for every day people and, how the most innovative ideas are becoming action.

If you are interested in volunteering please contact Rebecca Scholl at: [becki@themediaconsortium.com](mailto:becki@themediaconsortium.com). Volunteers will receive a thank you gift and be fed.
