Notes: Transport to and from airport in Denver was \$42, if you reimburse for that...  
Airfare, of course, was MSP to Denver, roundtrip...Atlanta is where Delta Airlines is based...  
I can forward receipts if you need  
Thanks much!

We have done a couple of stories that fit your criteria, I think, and hope to do more soon... including a story I am writing on the coming of broadband to the Arrowhead Region of northeastern Minnesota, a remote area of woods and water along the Canadian border... interesting!  
Happy Thanksgiving...
