March 14, 2014

Dear Mr. Rudolph,

I am writing to commit City Limits to participate in the news penetration experiment you described in your March 11 email. Subject to our editing process, we will publish two stories provided by Feet in Two Worlds on a date chosen by the Media Consortium.

The two stories in question concern DREAM Act advocates who've grown disillusioned and Colombian immigrants who, having been burned by the American housing crash, are now considering retiring back in Colombia.

City Limits will neither provide nor receive any funding under this arrangement. We will share a report derived from Google Analytics on the performance of both stories.

Thank you,
